E (I)

Came in last night at half past ten - That baby of mine wouldn't let me in

A (IV)

E

So move it on over (move it on over) - Move it on over (move it on over)

B7 (V)

E

Move over, little dog, 'cause the big dog's moving in

She's changed the lock on our front door - My door key don't fit no more

So get it on over (move it on over) - Scoot it on over (move it on over)

Move over, skinny dog, 'cause the fat dog's moving in

This dog house here is mighty small - But it's better than no house at all

So ease it on over (move it on over) - Drag it on over (move it on over)

Move over, old dog, 'cause a new dog's moving in

She told me not to play around - But I done let the deal go down

So pack it on over (move it on over) - Tote it on over (move it on over)

Move over, nice dog, 'cause a mad dog's moving in

She warned me once, she warned me twice - But I don't take no one's advice

So scratch it on over (move it on over) - Shake it on over (move it on over)

Move over, short dog, 'cause a tall dog's moving in

She'll crawl back to me on her knees - I'll be busy scratching fleas

So slide it on over (move it on over) - Sneak it on over (move it on over)

Move over, good dog, 'cause a mad dog's moving in

Remember pup, before you whine - That side's yours and this side's mine

So shove it on over (move it on over) - Sweep it on over (move it on over)

Move over, cold dog, 'cause a hot dog's moving in

Yeah, my bucket's got a hole in it - I can't buy no beer

Well, there ain't no use - of me workin' so hard

Cold Cold Heart

D (I)

A7 (V)

I tried so hard, my dear, to show that you're my every dream

D

Yet you're afraid each thing I do is just some evil scheme

G (IV)

A memory from your lonesome past keeps us so far apart

A7

D

Why can't I free your doubtful mind and melt your cold, cold heart?

Another love before my time made your heart sad and blue

And so my heart is paying now for things I didn't do

In anger, unkind words are said that make the teardrops start

Why can't I free your doubtful mind and melt your cold, cold heart?

You'll never know how much it hurts to see you sit and cry

You know you need and want my love, yet you're afraid to try

Why do you run and hide from life, to try it just ain't smart

Why can't I free your doubtful mind and melt your cold, cold heart?

There was a time when I believed that you belonged to me

But now I know your heart is shackled to a memory

The more I learn to care for you, the more we drift apart

Why can't I free your doubtful mind and melt your cold, cold heart?

We met in the springtime when blossoms unfold

Am

E

Am

The pastures were green and the meadows were gold

Am

Our love was in flower as summer grew on

Am

E

Am

Her love like the leaves now has withered and gone.

The roses have faded, there's frost at my door Am

The birds in the morning don't sing anymore Am E Am

The grass in the valley is starting to die Am

And out in the darkness the whippoorwills cry. Am E Am

F

C

Alone and forsaken by fate and by man

Am

Oh, lord, if you hear me please hold to my hand

E

Am

Oh, please understand.

Oh, where has she gone to, oh, where can she be (Am E Am)

She may have forsaken some other like me

She promised to honor, to love and obey (Am E7 Am)

Each vow was a plaything that she threw away.

The darkness is falling, the sky has turned gray (Am E Am)

A hound in the distance is starting to "bay"

I wonder, I wonder - what she's thinking of (Am E Am)

Forsaken, forgotten - without any love.

intro : E /// | B7 /// | E /// | E //

E

Hear the lonesome whiperwill - He sounds to blue to fly

A E B7 E

The midnight train is whining low - I'm so lonesome I could cry

I've never seen a night so long - when time keeps crawling by E

The moon has gone behind the clouds - to hide his face and cry A E B7 E

::take it pedal steel!::

Did you ever seen a robin weep - when leaves began to die? E

Like me he's lost the will to live - I'm so lonesome I could cry A E B7 E

::violin::

The silence of a falling star - lights up, a purple sky E

And as I wonder where you are - I'm so lonesome I could cry A E B7 E

I saw the Light

G
I wandered so aimless life filled with sin
C G
I wouldnt let my dear savior in
G
Then Jesus came like a stranger in the night
G D G
Praise the Lord I saw the light.

G
I saw the light I saw the light
C G
No more darkness, no more night
G
Now I'm so happy no sorrow in sight
G D G
Praise the Lord I saw the light.

Just like a blind man I wandered alone
Worries and fears I claimed for my own
Then like the blind man that God gave back his sight
Praise the Lord I saw the light.

To chorus

I was a fool to wander and stray
For straight is the gate and narrow the way
Now I have traded the wrong for the right
Praise the Lord I saw the light.
